

University Ridge Golf Course

The world-renowned Robert Trent Jones Jr. golf course plays to all skill levels and builds great desire and challenge in its players. In 2011 University Ridge was rated the **#1 golf course in Wisconsin** by Golfink. It has also been rated the Best Golf Course in Madison an astounding fifteen times by Madison Magazine.

With five sets of tee ranges, University Ridge offers something for players of every ability level. The wide-open front nine rolls through a preserved prairie and marshland, while the first six holes of the back nine are cut out of a lush Wisconsin woodland. Learn more at universityridge.com

Your support of the Animal and Dairy Sciences Golf Classic helps us deliver a world-class experience for students.

The department offers the best of both worlds—the feel of a small campus with the advantages of a flagship University.

Our programs look boldly toward the future by embracing innovation and technological advances, solving difficult problems, addressing unmet needs, and protecting the environment.

Students and faculty work together to connect science to practice—turning discoveries into real-world solutions.

A department priority is to make the world a better place through sustainable best practices, the humane treatment of animals, and cutting-edge research that directly improves human nutrition and health.

“Your support of the department’s golf outing allows us to offer a greater number of high-impact internship and research opportunities for students to integrate, synthesize, and apply their learning through a variety of experiences and disciplines. This is part of the “**Badger Difference**” we can provide because of your help.

UNIVERSITY OF WISCONSIN-MADISON

Department of Animal & Dairy Sciences Annual Golf Outing

**University Ridge
Golf Course
May 23, 2023**

Please join us Tuesday, May 23 at the World renowned University Ridge Golf Course for the annual **Animal and Dairy Sciences Golf Outing**. Proceeds from the event support undergraduate student scholarships and high impact learning experiences. These include intercollegiate competitive teams, student travel, hands-on learning laboratories, and undergraduate research.

The outing provides a great opportunity for you to network with faculty and staff about their projects in a relaxed social atmosphere. Afternoon activities will include: fellowship, live music, hors d'oeuvres, beer and soda, brat cookout, and tournament awards ceremony.

The event is attended by department faculty, students, UW alumni, and allied industry representatives.
